FEATURES

6 Drive on Baghdad: Joint Warfare & Operation Iraqi Freedom, 2003

In 2003 the US launched Operation Iraqi Freedom and seized Baghdad and overthrew the regime of Saddam Hussein. The campaign was remarkable because US and Allied forces were outnumbered on the ground yet still forged ahead in a new type of warfare.

by Joseph Miranda

22 War in Nicaragua: Sandinistas, Somocistas & Contras

The Sandinista National Liberation Front originated in the 1960s, when rebels took to Nicaragua's hills to try to overthrow the regime of Anastasio Somoza. There were several factions, each promoting its own ideology and tactics.

by Joseph Miranda

32 Anti-Communist Insurgency: The Contra War

In November 1979 a Sandinista military outpost on the slopes of El Chipotle, near the Honduran border, was attacked by rebels. Militarily the raid was insignificant, but it was a milestone: the first action against the Sandinistas and the start of a new civil war.

by William Stroock

42 Indo-Pakistani Air Wars: 1965 & 1971

India and Pakistan have fought each other in several wars. Air power played major roles in both the 1965 fight over Kashmir and the 1971 conflict in which India assisted East Pakistan in becoming the independent state of Bangladesh.

by John D. Burt
