### 6 Objective Nuremberg: War in Europe in the 1980s

The much-anticipated but never-launched Warsaw Pact invasion of West Germany during the 1980s remains one of the most studied might-have-been non-events in all of military history. Here's our contribution to that analytic effort.

### 20 Falklands War Why did Argentina fail?

On 2 April 1982, Argentina launched Operation Rosario to seize the British-controlled Falkland Islands. It seemed the conflict favored the Argentinians. Despite their advantage, in the end, it was the British who emerged victorious.

### 30 Indo-Pakistani Naval War of 1971

Angered by India's support of East Pakistan's independence, West Pakistan launched a surprise attack in December 1971, sparking the third war between the two countries since 1947. In previous conflicts naval action had been light or nonexistent, but in 1971, the two navies would come to blows.

### 42 Tanks in the Wire The Siege of An Loc 1972

In late March 1972, the North Vietnamese launched the Easter Offensive. As the armored Communist onslaught continued, it turned out that the small town of An Loc was where the survival of the South Vietnamese republic would hang in the balance.
